## Way Forward

The focus for FY 2017-18 will continue on:

- Market Share Strategy for achieving growth with focus on high margin products
- Concentration on building specialization in welding automation and provide end to end solutions
- Continuous cost control through rationalization of facilities in manufacturing and sales process
- Exploring tie-ups with leading international equipment manufacturers for technology absorption and incremental sale.
- Continuous focus on expanding capabilities in Project Engineering Business to address new products/clients.
- Exploring new geographies.

Thank You!
