Participants for Jewellery Making Workshop

“A diamond is just a piece of charcoal that handled stress exceptionally well”
Women empowerment has always been a key agenda as far as CSR activity of AWL is concerned.

Ador Welding Ltd participated in a joint initiative in March 2017 to impart training in jewellery making to empower women who were looking for better employment opportunities. The workshop took place in Dapodi that comes under the Pimpri - Chinchwad Municipal Corporation.

This workshop was organised with the objective of adding new and enhanced skills to their arsenal & to significantly enhance their employment prospects.

This group of women trainees turned out to be the real heroes and their determination and enthusiasm in learning new skills is an inspiration for all.

Each participant was awarded with a certificate by Ador Welding at their Chinchwad Plant. AWL salutes the shining spirit of all the women who showed us that no deterrent can stop us from actualising our true potential.
