

# SMART IT GUNS

## Integrated Transformer Welding Guns

### SUPERIOR TECHNOLOGY

SMART IT Guns are manufactured with highest care to deliver peak performance. They are being extensively used by several reputed auto-ancillaries and automakers in India. Trouble-free performance over long working hours, light weight construction, precision welding and high maneuverability make our IT Guns the first choice of operators.

### FEATURES

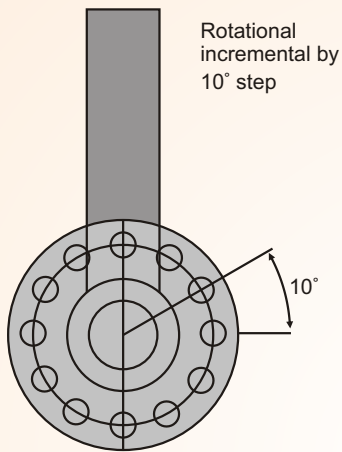

- Unique 360° rotation arrangement
- Water cooled electrode and welding arm
- Variable arm length (custom-built)
- Compact and light weight due to ductile aluminum material gun body construction
- Energy-efficient
- High reliability and repeatability
- Higher welding efficiency
- Easy to install, operate and maintain
- Transformer rating: 26 to 76 kVA
